Product & Pricing Manual 2022

ABOUT THE PRODUCT

Every Product has a chance to change the World, by just not bringing the product but by defining its purpose. The Beginning is always now. To get ahead is to get started, by chasing the vision that is to launch a new product, which is of Refined Quality and Stands Out from the rest.

Creativity is the process that gives life to a new product which has no common features from its competitors.

The Ideas, Features and Properties of the product are all Exclusive and has never been launched in the Market before. We as a team got ahead in Creating a Masterpiece which will lead the path for the Customers in Another Dimension. The change for the future has begun and will be portrayed in the upcoming products. KNext will be the Choice For Next Generation.

It's not about being better, it's about being different.
